

CE-AFI

CENTRAL EUROPEAN ASSOCIATION OF FIRE INVESTIGATORS

Reidar Skrunes MSc, MIAAI

Reidar Skrunes has been employed by the If P&C Insurance Company Ltd, Norway since 2001 as a fire investigator.

Reidar started as a police officer back in 1988 and worked as a tactical and technical investigator during his 13 years in the police. He has taken fire and crime scene investigation education delivered by the police academy.

He has taken education in fire dynamics and has been a tutor for students at fire safety engineers (Bachelor and Master level) at Western Norway University of Applied Sciences (HVL) since 2005. He has done a lot of research of fire and is a holding lecturer in fire investigation.

Reidar is also an expert witness for the crime court in arson fires all over Norway.

He has an MSc in Fire Scene Investigation (University of Central Lancashire, UK, 2015).
