

CE-AFI

CENTRAL EUROPEAN ASSOCIATION OF FIRE INVESTIGATORS

Tuomas Pälviä MIAAI IAAI-FIT: Tuomas has studied security management and has worked in a number of fire safety positions for 10 years. He has attended both police and rescue department fire investigation courses in Finland as a student and also as a guest lecturer.

Tuomas attended annual training conferences of the International Association of Fire Investigators in 2010 and 2011 and IAAI UK chapter annual training conference in 2011. He has investigated fires ranging from small apartment fires to multiple fatality fires and large multi-million loss fires.

A member of National Association of Fire Investigators and International Association of Arson Investigators and is the first certified fire investigation technician (IAAI-FIT) in Finland. Tuomas is especially interested in developing fire scene photography and wildland fire investigation skills.
