

CE-AFI

CENTRAL EUROPEAN ASSOCIATION OF FIRE INVESTIGATORS

Kim Hansen, MIAAI has been employed by DBI Fire and Security for a total of 14 years. For the last 4 years as Head of Department, Fire Investigation, and prior to that, Head of Department for both the Training Department and the Inspection Department.

Kim has worked with safety, security and training since 2004 being employed at Scandinavian Airlines. During this period, he was head of their training department training pilots and cabin attendants, and later Director of Cabin Operations, with the overall responsibility for the operation of 1,100 cabin attendants. Prior to his employment at DBI he worked as a consultant helping the Maritime industry in the Nordic countries implementing 'The International Ship and Port Facility Security' (ISPS) Code.

Kim holds a diploma degree in Service Excellence from Copenhagen Business School Executive Programme.

As head of department at DBI Fire Investigation, he is responsible for accreditation, the staff, the quality in Service Delivery, R&D and the Customer Experience.
